Notes for Hymn 250

These words were originally written in 1977 by Dr Francis Tucker. The revised version that appears in our hymn book first appeared the USA Episcopal *Hymnal 1982*. There are extensive scriptural references for this hymn. In the last two lines there is an echo of the collect for peace at the Anglican Morning Prayer service, "whose service is perfect freedom".

The tune, *Jackson*, named after its composer, was published in 1740. The melody we sing is slightly simplified from the original and is sung in a lower key.

**A Reading from Isaiah
Chapter 43. 1- 7**

But now thus says the LORD,
he who created you, O Jacob,
he who formed you, O Israel:
Do not fear, for I have redeemed you;
I have called you by name, you are mine.
When you pass through the waters, I will be with you;
and through the rivers, they shall not overwhelm you;
when you walk through fire you shall not be burned,
and the flame shall not consume you.
For I am the LORD your God,
the Holy One of Israel, your Saviour.
I give Egypt as your ransom,
Ethiopia and Seba in exchange for you.
Because you are precious in my sight,
and honoured, and I love you,
I give people in return for you,
nations in exchange for your life.
Do not fear, for I am with you;
I will bring your offspring from the east,
and from the west I will gather you;
I will say to the north, 'Give them up',
and to the south, 'Do not withhold';
bring my sons from far away
and my daughters from the end of the earth—
everyone who is called by my name,
whom I created for my glory,
whom I formed and made.'

Hear the word of the Lord, **thanks be to God**

'Whispers of Love'

**Our Meditation group now meets
on Mondays at 10.00 am.**

Prayer is a gift that our Lord offers us. It is not in looking for the gift of prayer that we find it.

We find and receive the gift of prayer not by seeking prayer, but by seeking *Jesus*.

It is in seeking Jesus that we learn from him to pray, to enter into a loving interpersonal relationship with him.

To accept his love and to love him back, to listen to his voice and to live and walk in his Spirit.

Blessings Reverend Ann Watson

SPECIAL PARISH MEETING

Psalm 29

Ascribe to the Lord, you powers of heaven:
ascribe to the Lord glory and might.

**Ascribe to the Lord the honour due to his name:
O worship the Lord in the beauty of his holiness.**

The voice of the Lord is upon the waters:
the God of glory thunders,
the Lord upon the great waters.

**The voice of the Lord is mighty in operation:
the voice of the Lord is a glorious voice.**

The voice of the Lord breaks the cedar-trees:
the Lord breaks in pieces the cedars of Lebanon.

**He makes them skip like a calf:
Lebanon and Sirion like a young wild ox.**

The voice of the Lord divides the lightning-flash:
the voice of the Lord whirls the sands of the desert,
the Lord whirls the desert of Kadesh.

**The voice of the Lord rends the terebinth trees,
and strips bare the forests:
in his temple all cry 'Glory.'**

The Lord sits enthroned above the water-flood:
the Lord sits enthroned as a king for ever.

**The Lord will give strength to his people:
the Lord will give to his people the blessing of peace.**

**Glory to God, Father, Son, and Holy Spirit:
as in the beginning, so now and forever. Amen**

**A reading from the Acts of the Apostles
Chapter 8, verses 14 to 17**

Now when the apostles at Jerusalem heard that Samaria had accepted the word of God, they sent Peter and John to them. The two went down and prayed for them that they might receive the Holy Spirit (for as yet the Spirit had not come upon any of them; they had only been baptized in the name of the Lord Jesus). Then Peter and John laid their hands on them, and they received the Holy Spirit.

Hear the word of the Lord, **thanks be to God**

The Lord be with you
And also with you.

**A reading from the Gospel of our Lord Jesus Christ
according to St Luke, Chapter 3, verses 15 to 22**

Glory to you, Lord Jesus Christ

As the people were filled with expectation, and all were questioning in their hearts concerning John, whether he might be the Messiah, John answered all of them by saying, 'I baptize you with water; but one who is more powerful than I is coming; I am not worthy to untie the thong of his sandals. He will baptize you with the Holy Spirit and fire. His winnowing-fork is in his hand, to clear his threshing-floor and to gather the wheat into his granary; but the chaff he will burn with unquenchable fire.

Something need to be done around the drain that had a fence around it & things growing around it. Clean up & small fence or grow something protective?

We are to collect many orchids donated by Joan Monico & will place them in shade till we can re-pot & determine a permanent place. We also have down the back some beautiful cream cliveas & need to transplant them to a place they can be appreciated.

There is much to be done. I am physically unable to do some of these jobs. If anyone would like to help with a particular project that would be really marvellous.

Strong, young men and women are needed to achieve some of these plans. We need to work as a team & complete one thing at a time.

I look forward to some good gardening in 2013.

Next Working Bee - Saturday 2nd Feb .

Best wishes, *Jackie*

Parish Get-Together at Terrigal Bowlo

Sunday 24th February

Last year we meet on several occasions on the fourth Sunday of each month at Terrigal Bowlo for some great food and fellowship. It was great to meet informally and to get to meet some of the folk also gathering at the Club.

In January we have our Australia Day Celebrations on the fourth Sunday. Therefore we'll begin our monthly 6.00pm Terrigal Bowlo gatherings in February. The fourth Sunday in February is the 24th. BG

St Luke, Chapter 3, verses 15 to 22 - continued

So, with many other exhortations, he proclaimed the good news to the people. But Herod the ruler, who had been rebuked by him because of Herodias, his brother's wife, and because of all the evil things that Herod had done, added to them all by shutting up John in prison.

The Baptism of Jesus

Now when all the people were baptized, and when Jesus also had been baptized and was praying, the heaven was opened, and the Holy Spirit descended upon him in bodily form like a dove. And a voice came from heaven, 'You are my Son, the Beloved; with you I am well pleased.'

For the Gospel of the Lord
praise to you Lord, Jesus Christ

Thought to Ponder

The account of **the Baptism of Our Lord**, traditionally an Epiphany Gospel selection, may be helpful as we consider the theology of infant baptism. Jesus was baptised as an adult (probably aged 30). We are told that at his baptism God the Father is verbally manifest in God's affirmation of the profound identity of Jesus... **'You are my Son, the Beloved; with you I am well pleased.'** Jesus' baptism was a time of naming and claiming his *prior* identity as Son of God and bringing together his eternal self with God's vivifying spirit upon Jesus' public ministry. **The baptism did not create our Lord's identity or relationship with God!** Just so the baptism of infants names and claims the *prior* gifts of the child's life and God's love for the child, manifest and experienced in Jesus. Infant Baptism does not create life nor God's love but makes those gifts manifest! And it is the vocation of the ministry of God's church to calls down the gift of Holy Spirit to vivify the beloved child's journey unto mature ownership of God's gifts first celebrated in Holy Baptism. **BG**

SPECIAL PARISH MEETING

3rd February at 11.30pm

Parishioners may have noted in the Parish Council minutes for the August P.C. meeting of last year that your Parish Council considered, at length, a motion to rescind ...

"all previous Parish Council motions regarding the progress of the Pipe Organ Project and that any future discussions about the installation of a Pipe Organ be referred to a special meeting of the Parish (once firm and final costing for the whole project including the wall/doorway and associated work and the first ten year's maintenance costs are known) in accordance with the Diocesan Property Approvals Board direction."

This motion ended in a tied vote. A subsequent motion was carried. The successful motion stated...

"In view of the tied vote on the purchase of the organ this Parish Council authorises the Rector to call a Special Parish Meeting to provide all available details of costing and funding to make a final decision about the purchase of the Organ

The Diocesan Property Approvals Board 'direction' referred to in the August 2012 Parish Council motion is documented in a letter written by David Hartley (then acting Diocesan Business manager) to this parish and dated 18th April, 2012. In that letter Mr Hartley writes..." *At its meeting on Thursday 12 April (2012) the Property Approvals Board considered further the application by the parish for the installation of a pipe organ at Holy Trinity Church and resolved as follows...*

...HOLY TRINITY CHURCH GARDEN PLAN 2013 - continued

These seem suitable as they are always green, do not need much water & flowers can be used in our church arrangements.

All the front to be barked heavily.

Eventually do something with the Liriopes [the duck's garden] - tidy & clean

BACK

The native garden is still doing pretty well considering the lack of care. We have lost a couple of plants but will replace as money allows. We need to build an edge all around this garden. Paul has suggested we use plastic blocks instead of timber. He will then be able to mow & control the edge more easily.

It would also be good to extend this garden towards the back to meet up with the gum tree & be able to plant more natives.

The raised garden is doing well. Leucodendrons will soon grow up to cover the fence. A passionfruit vine is growing & will be trained along the top. Two viburnams have been planted [one at each end]. They will grow green & bushy & have flowers for us to use.

At the moment I have put in some variegated jasmine hoping it will take & will fall down over the edge. We will plant some other colour to fill up the bed. In front of this bed, all to be sprayed & barked as with the southern fence area.

The almond trees are looking good as is the elderberry. The photinias are growing well. Area in front of them to be sprayed as well. Edge & bark in front of agapanthus.

HOLY TRINITY GROUNDS MAINTENANCE

We are truly blessed to have beautiful grounds in which our sacred place is located. Of course with such blessings come responsibilities for stewardship.

We are also blessed that a group of parishioners have initiated a programme of ground maintenance and development under the supervision of the Parish Council. How wonderful that parishioners have seen a need, no matter how extensive, and responded creatively and very pro-actively.

The first Garden Working Bee for 2013 is coming up shortly – indeed the first Saturday in February. Your help would be greatly appreciated. Please come along and join in according to the time and interests you have to give.

Jackie Davidson has kindly taken on leadership of this ministry. Recently Jackie has put in writing her vision for this year

...HOLY TRINITY CHURCH GARDEN PLAN 2013.

Set below is a brief idea of the things we hope to achieve in the garden this year. These are only suggestions & all input would be appreciated by those interested in planning & maintaining the garden.

FRONT

Keep on top of the weeds in all gardens.

Bark all around the trees so Paul can keep grass trimmed & neat. He will also use Roundup where necessary.

Remove Dianellas [green & white stripes] on left at entrance & use any that are still good down the driveway to fill empty spots there. I have researched some plants to replace Dianellas e.g. Grevilleas - Robin Gordon or Molly; small banksias that are hardy & flower.

The Property Approvals Board thanks the parish for addressing questions in such a thorough manner and the work that has been done to date. The Board accepts the current proposal by the parish on the basis of:

- a) A firm price for completion of all work be submitted**
- b) The installation of an operable wall between the worship area and the gathering space to be a condition of approval and to be part of the final costing**
- c) That the funding of the project be fully outlined to the satisfaction of the Diocesan Business Manager.**
- d) That the project be advertised within the parish once the firm price is known and the latest plans are available.**

On behalf of the Board, Archdeacon Stephen Pullin would like to thank the parish for addressing this matter in such a thorough manner, and for the work that has been done by the parish to date concerning this proposal.

It is the opinion of the Board that the work of clearly defining this matter and addressing the issues in a wholistic manner will lead to the best outcome possible for the whole parish community and for the future of all the diverse groups who worship in and use the building.

EPISCOPAL ELECTION – continued

Please note that the approval of the Board is subject to the submission of a quoted price for all proposed work associated with this installation, including any and all alterations to the existing church structure and fabric.

It is also on the basis of the installation of an operable wall between the worship area and the gathering space, and the costs of such installation will need also to be included in the total costing. This matter was discussed with those representing the parish at the recent Board Meeting and has been deemed necessary due to the placement of the organ console in the final design, and the restrictions that such imposes on the line of sight between the nave and the overflow area."

Subsequent to this conditional approval from the P.A.B., the Parish Council has been gathering the necessary quotes and installation detail. Currently available for discussion at the proposed Special Parish Meeting are the following...

- An updated Pipe Organ Quote from John Parker
- Costs and feasibility report to install the pipe organ and replace the aluminium framed glass wall and door with an "operable wall"

We are indebted to Geoff Grenfell who has worked tirelessly, professionally and in great detail to gather competitive quotes for the installation of the operable wall and the pipe organ. Parishioners will note that Geoff provides costings, detailed listings of materials required and expert commentary in his capacity as an experienced architect.

The following questions are offered for discussion by parishioners...

- **What is going well in the Diocese which needs to be sustained into the future?**
- **What are the challenges facing the Diocese which will affect its mission and ministry?**
- **What are the key responsibilities for the next Bishop to focus in order to sustain ministries into the future and respond to the issues?**
- **What attributes (qualities/skills) will the next Bishop need to fulfil the responsibilities you have identified?**

I am very aware that already our parish life is very busy. Notwithstanding the election of our next Bishop is critical. Self-evidently Godly and wise Episcopal leadership is critical to the well-being and vitality of our Diocesan mission and ministry. And I am sure that many parishioners would want the opportunity for some input into the sorts of issues raised in the questions from the Diocesan Booklet.

Accordingly I propose to convene a meeting of all interested parishioners on Sunday 10th February at Holy Trinity from 3.00pm. I expect the meeting to finish around 5.30pm. *BG*

EPISCOPAL ELECTION

The Right Reverend Dr Brian Farran commenced retirement on 15th December last year. Prior to his departure he appointed The Right Reverend Dr Peter Stuart as Diocesan Administrator for the period of Episcopal vacancy in this See.

The Diocesan Administrator has now summoned the Diocesan Synod to gather for Eucharist at Christ Church Cathedral on Friday 12th April and then to gather at Bishop Tyrell College, Fletcher on Saturday 13th April to commence the process of electing the next Bishop of Newcastle.

Nominations for this position have been called for. The period for nomination will close on 5th February at 5.00pm

Additionally, Bishop Peter has recently circulated a booklet entitled **Electing a New Bishop - listening to parishes, schools and agencies (December 2012 - January 2013)**. **The booklet is introduced thus...**

*It is vital that the Diocese engages in conversation about the next Bishop of Newcastle. [This booklet] is based on a resource used in another Diocese [and] is **designed to facilitate discussion in your parish around four key issues** relating to the election of a successor to Bishop Brian.*

Your responses should be mailed to the Diocesan Business Manager at PO Box 817 Newcastle by 12th February 2013. [Responses will be collated by the Bishop Nomination Committee.]

Parish Councillors are currently completing a statement which details funding possibilities for the pipe organ installation and, additionally, funding for the installation of the operable wall which the P.A.B. now requires as part of the project. This funding analysis will also be formally tabled at the Special Parish Meeting.

The only agenda item for the Special Meeting is defined by the August 2012 Parish Council motion ... **to provide all available details of costing and funding to make a final decision about the purchase of the Organ.**

However, since the Property Approval Board now requires the installation of an "operable wall" as part of the pipe organ project it follows that costing and funding for this element of the project must also be included in our deliberations.

It is anticipated that the Special Meeting will begin with formal presentations of available information. This will be followed by discussion and with processing any motions which may arise.

Parishioners will be very aware that this forthcoming Special Meeting is most significant and its outcomes may profoundly impact upon the parish. Please continue to uphold our preparations and meeting in prayer.

Additionally, I request that, where possible, we observe a time of prayer and fasting between 12midday and 6.00pm on Saturday 2nd February, that our attention to God's will may be strengthened. To conclude our disciplines there will be a Vigil Eucharist on Saturday 2nd February at 6.00pm

(The Reverend Canon) *Brian Gibbs*

MARKET DAY

Saturday 19th January

This is a truly wonderful parish ministry offering opportunities for fellowship, sharing and service, fund-raising and precious interface between our faith community and the community we serve.

Your Parish Council has agreed and guaranteed that \$1000.00 from our January Market Day will be given to the Tasmanian Diocesan Fire Appeal

Please come along to help make this day a time of great blessing and hope.

May you live all the days of your life. *Jonathan Swift*

His thoughts were slow,
his words were few and never formed to glisten.
But he was joy to all his friends,
you should have heard him listen!
